Product description:

For structural use

Plywood conforming to EN 636-3 for outdoor use

Produced by: NP ROLPIN

Manufactured in the factory located: 40210 LABOUHEYRE

FCBA, as the notified body N° 0380, carried out the initial inspect of the facility and tested production on site and carried out the audit, assessment and continuous approval of the on-site production (system 2+).

The present certificate attests that all provisions concerning the conformity attestation of the on-site production set forth in the harmonised technical specification of reference NF EN 13986: 2004 + A1 : 2015 have been applied.

This certificate was issued for the first time on 18/07/2013, and except for withdrawal or suspension, shall remain valid as long as the conditions described in the harmonised technical specifications, production conditions on the site and production testing in the facility shall continue to conform.

The list of valid certificates of conformity can be accessed on the www.fcba.fr site.

(In case of litigation, only the French version of the present certificate is the authentic text).
